Please support prompt and regular attendance by adhering to these times.

Please Take Note...

- ❄️ Winter is here!!! Please help your child be prepared for the outdoor recesses. We encourage all students to enjoy the fresh air outside during the scheduled recess and we want them to be warm and dry. If you send it with your child, we encourage them to wear it. If your child is an enthusiastic player, dry clothing may be beneficial as an extra in the back pack. ❄️
- Please try to arrange and mark in student agenda the changes to the end of day pickup. The office gets very busy and it causes many interruptions to the class when changes to end of day pickup are made.
- We have many students in our school with allergies and they need our help. We ask that families be aware of the food that are brought in and that they will be safe for all students in the school. If you have any questions please call the school.

THE NEW CROSSWALK

We have been told by many parents that they are very happy with the new location for the crosswalk BUT there are also many problems that we need to work on as well. One of the most important items that needs to be resolved is the use of the parking lot. Hillcrest has seen a large increase in traffic in their parking lot and this is due to the new crosswalk. As a result of the increased traffic flow and for the safety of ALL students and staff, St. Mary parents cannot use this space as a drop off and pick up location, **effective Monday December 3rd**. We are encouraging parents to use Margaret Street as a drop off spot and to access the crossing guards that are on duty. Thank you for your continued patience with this process. (Please see the map below to understand areas of drop off and crosswalks)

SNOW DAY and your student – We want to let all families know that on a snow day, we will never be serving hot lunches so IF your child comes, you must provide their lunch. We will also be going outside to enjoy the fresh air so your child will need all their outdoor clothing. Please remember that if the bus is cancelled, we do not expect your child so there is no need to call BUT, IF they are a walker it is appreciated if you call into the school if they are NOT attending. This is for everyone's safety.

Drop off and crosswalk. Drop off either side of Margaret St.
