Please Take Note...

- ❄️ Winter is here!!! Please help your child be prepared for the outdoor recesses. We encourage all students to enjoy the fresh air out side during the scheduled recess and we want them to be warm and dry. If you send it with your child, we encourage them to wear it. If your child is an enthusiastic player, dry clothing may be beneficial as an extra in the back pack.
- Please try to arrange and mark in student agenda the changes to the end of day pickup. The office gets very busy and it causes many interruptions to the class when changes to end of day pickup are made.
- We have many students in our school with allergies and they need our help. We ask that families be aware of the food that are brought in and that they will be safe for all students in the school. If you have any questions please call the school.

Grades 1 to Grade 4 will be going skating on Friday, February 8, 15. As a school we have a rule that ALL STUDENTS MUST WEAR A COAT, MITTS & A HELMET, while skating. Any parents wishing to help tie skates or transport skates to the arena would be appreciated. Students have the ice from 1:15 until 2:15 so will be leaving the school in time to WALK to the arena, at approximately 12:45.
