### **Please Take Note...**

- Winter is here!!! Please help your child be prepared for the outdoor recesses. We encourage all students to enjoy the fresh air out side during the scheduled recess and we want them to be warm and dry. If you send it with your child, we encourage them to wear it. If your child is an enthusiastic player, dry clothing may be beneficial as an extra in the back pack.
- Students should be signed in and out at the office. There is a white binder for student sign in and out. This includes students that arrive late.
- Please try to arrange and mark in student agenda the changes to the end of day pickup. The office gets very busy and it causes many interruptions to the class when changes to end of day pickup are made.
- We have many students in our school with allergies and they need our help. We ask that families be aware of the food that are brought in and that they will be safe for all students in the school. If you have any questions please call the school.

**STARTING ON NOVEMBER 12** – The town will be adding a **second** crossing guard, on a trial basis. This guard will be working on Elmore Street (near Hillcrest Elementary). Students will be able to enter St. Mary Property through a gate that grants access to the school yard. This has been put in place on a trial basis to reduce the congestion at the intersection of Bridge and Elmore. Thank you for your understanding and remember please always obey your crossing guard.

Rainbows is a universal support program offered by our school board for children dealing with separation, divorce or death of a human. It is a weekly lunch hour program organized by age groupings, led by the children and supervised by school staff. If you are interested in having your child participate, please contact Mrs. Pettey or Mr. Roberts. We will determine whether the program runs this year (beginning in the new year), by the amount of parental interest generated. We will be in contact with you, if you show interest in your child(ren) joining.
