OUR SCHOOL BELL RINGS PROMPTLY AT 8:35 am AND OPENING EXERCISES BEGIN AT APPROXIMATELY 8:45 am. DISMISSAL TIME IS 3:05 PM.
Please support prompt and regular attendance by adhering to these times.

Please Take Note...

- Students should be signed in and out at the office. There is a white binder for student sign in and out. This includes students that arrive late.
- **Please try to arrange and mark in student agenda the changes to the end of day pickup. The office gets very busy and it causes many interruptions to the class when changes to end of day pickup are made.**
- We have many students in our school with allergies and they need our help. We ask that families be aware of the food that are brought in and that they will be safe for all students in the school. If you have any questions please call the school.
- **We are asking that parents please arrange to pick your child up at the front of the school at the end of the day. The office gets very congested with everyone meeting there and teachers are already taking students to the bus zone so meeting there helps with the congestion.**

Rainbows is a universal support program offered by our school board for children dealing with separation, divorce or death of a human. It is a weekly lunch hour program organized by age groupings, led by the children and supervised by school staff. If you are interested in having your child participate, please contact Mrs. Pettey or Mr. Roberts. We will determine whether the program runs this year (beginning in the new year), by the amount of parental interest generated. We will be in contact with you, if you show interest in your child(ren) joining.
