WELCOME BACK

Please Take Note...

- Students should be signed in and out at the office. There is a white binder for student sign in and out. This includes students that arrive late
- **Please try to arrange and mark in student agenda the changes to the end of day pickup. The office gets very busy and it causes many interruptions to the class when changes to end of day pickup are made.**
- We have many students in our school with allergies and they need our help. We ask that families be aware of the food that are brought in and that they will be safe for all students in the school. If you have any questions please call the school.
- **We ask for your patience and understanding as we are still working through the summer construction. We thank you for your understanding.**
